

2021 YEAR IN REVIEW

See all that we accomplished together

Trolley Commemorated in Percy Daniels' Honor

In June of last year GPTC dedicated a bus and its vintage-style trolley to longtime employee Percy Daniels, who passed away just after retiring

Covid Vaccine Outreach

GPTC worked with city and state officials to get the word out about vaccines. We provided free rides to vaccination sites and advertised access to the mass vaccination site at former Roosevelt High School

Google Maps

Mobile Apps Implemented

Plan, track, purchase and validate transit tickets. Token Transit, Moovit and Google Directions make it easier to know where to go, when to board/depart and, most importantly, purchase your fare safely!

NORTHERN INDIANA

The Hard Rock Casino is now easily the most transit-accessible entertainment venue in NWI, providing job access, entertainment and expanding the local economy

New Vans & Brand Identity

This new brand makes mobility equality a priority and highlights accessibility

Awards and Grants

GPTC was honored as the Hoosier Environmental Council's (HEC) Environmental Justice Advocate of the Year! GPTC also was the recipient of three grants for improving getting around in Gary and NWI: the State of Indiana and America Walks provided funding for crosswalk safety and station-area artistic improvements, while the Legacy Foundation awarded a GPTC-led group with funding to develop bike and mobility kiosks throughout Gary

Fall Summit for Public Input

GPTC held its first major public meeting since the start of the pandemic. The meeting discussed service issues, shelter repair, mobile apps and the Access219 brand
